

## Monday Morning Memo

June 24, 2019

Esperanza Estates

Green Valley, AZ

### Lights Off?

If your lamppost light goes out, or you see a non-working one in the neighborhood, call a Board member. There are several volunteers who will replace the bulb for you at no charge.

### Wednesday Night Movie at 7:15 at the Ramada

This week's film is *The Bucket List*. Two terminally ill men (Jack Nicholson and Morgan Freeman) leave their hospital ward and set out to complete a list of things they want to do before they die.

Thanks to **Jane and Eric Ellingson** for sponsoring this event.

### Ants Are Here

**Jim Copeland** reminds us that ants are most active at this time of year. If you want to control ants on your property, Jim recommends Terro ant dust, available at Ace Hardware. Common area problems can be reported to **Dean Hess**.

### One Week Left to Trim Tall Palms

Palms taller than rooves (antiquated, but not incorrect) need to be trimmed by next **Sunday, June 30**. Trees left untrimmed after June 30 will be trimmed by the HOA with homeowners being billed **\$80/tree**. Questions? Call **Dean Hess** at **520-780-8995**

### Bird Food that Rodents Hate

Love the experience of hearing and seeing local cardinals, quail, finches, and grosbeaks in your backyard but wary of attracting rodents with the seed? Check out hulled bird seed with a capsacian coating. Try a bag in your feeders. Rodents will give it one star and move on to a better restaurant. Birds, unfazed by the hot pepper taste, will feel pampered as they enjoy a meal without the work of cracking the seeds. Return to your regular feed after finishing the bag of capsacian.

### Monday Morning Memo Submission Deadline

Have an EE organization item that needs to appear in the next MMM? Please submit your information by **Friday evening**. You don't need to write the article, just give us the facts. If an urgent, last-minute situation arises after the deadline, please call to let us know you're sending information.
