August 19, 2019

Esperanza Estates

Green Valley, AZ

## **NO Wednesday Night Movie at the Ramada**

Movies will be on vacation until late September.

## **Pickleball Report**

Since the completion of the new pickleball facility, the courts are seeing daily use, even in our summer heat. The players assemble at 7 AM, 7 days a week, and it's a rare day when there isn't a game. There have been as many as 11 players show up to play on some days, and play continues until the heat suggests it is time to quit for the day. **Greg Gramstad** has been appointed new court master, taking **Kevin Welsh's** place, since he will be away for several months. Along with the new courts, there are now chilled water and a large cooling fan in the spectator area, powered by solar panels, as well as new chairs. We can all be proud of our court facilities, which are state-of-the-art. New players are always welcome.

## **Inviting Thieves to Your House**

Have a new TV? computer? power tools at your house? You might want to turn the box inside out before putting it by the curb for trash pickup.

Better yet, put on your own label-- "Python Habitat" "Bear Trap"...

## **Nextdoor "For Sale" Scam**

If you're on EE's Nextdoor, pay close attention to what's been posted in your name. Hackers have reportedly gained access to some Nextdoor accounts and posted fraudulent "For Sale" scams.

Buying through Nextdoor? Deal directly, and in person, with the seller in your neighborhood to avoid becoming a victim.

## **Traffic Signal**

According to the [GV News](#), work will begin this week on the La Posada intersection project. The traffic signal installation is expected to be finished by Thanksgiving, but paving and other work will continue until the end of the year. Expect delays when traveling in the area.
